## My Dock:

web

art director: James Schuler

web designer: James Schuler

I learned HTML in the 90s and went on to teach web design at CollegeAmerica, Denver campus.

I have a dose of experience with an assortment of email marketing programs and software, including CMS systems.

## Print

art director/designer: James Schuler

I've designed for offset print since the 1990s.

I've designed covers and layouts for newspapers, magazines, business stationery, packaging, specialty items, digital media, book covers, glass appliques, tradeshow signage, posters and postcards.

I have 20 years experience setting up for different bindery techniques, specialty printing involving metallic inks, foils, embossing and dies.

## Other media

*Animated Christmas card for 1031 Experts*

*Self-portrait  
pencil*

*“Bass and Rankin”-style animated Christmas card for 1031 Experts. Set and characters sculpted with clay and sugar, photographed separately, then animated in Adobe.*

Commercial animation: writer, director, producer, artist, animator: James Schuler

Commercials created using traditional media, pencil, watercolor, etc., in conjunction with digital media.
